Doctoral programmes - September 2020

For the coming academic year, Széchenyi University (SZE) will accept a new cohort into its highly successful PhD program in Management (SzEEDS M): a full-fledged doctoral-level education in English. International students with a Master degree (MSc) in a relevant field, after passing admission examination, will be enrolled in September. Successful completion of the program will be led to a PhD degree issued as an academic degree of the European Higher Education Area (EHEA).

Doctoral School of Regional Sciences and Business Administration & Management Sciences
Wittmann Antal Multidisciplinary Doctoral School of Plant, Animal and Food Sciences
Multidisciplinary Doctoral School of Engineering Sciences

Contacts for the programmes

NOTE: International applicants with a Masters degree in a relevant field and the requisite level of English proficiency may be admitted to the Doctoral Programme after also passing the Doctoral School’s admission examination.
