Europe and Us Debate on the future of the EU

The European Commission and the European Parliament regard it as important that its leaders and decision-makers are able to have a dialogue with citizens. To this end, Citizen Forums are organized. Such an event will take place on 8 October 2018 in Révkomárom. The event will be held in Hungarian and Slovak. The event will conclude with a buffet lunch for the participants.

A bus to the Forum will be organised.

If you wish to participate, please fill in the application form on the link below by 6 October 2018.

Please note that participation is free but available places are limited.
