EXPECTATIONS ABOUT LEARNING A NEW LANGUAGE...

4 TYPES OF LEARNING STYLES

**VISUAL LEARNING**

*Learn by seeing*
You learn well when aided by images, pictures, and visual representation of the ideas.

**AUDITORY LEARNING**

*Learn by hearing*
You learn better when you hear the information.

**READING WRITING LEARNING**

*Learn with words*
You learn best when you write ideas down or read them. It helps putting words on the concepts.

**KINESTHETIC LEARNING**

*Learn by moving*
You learn better when you stand up and move around in order to experience things actively rather than being a passive learner.
