

Information for students without visa

- 1) Within a couple of days of your arrival in Hungary, you need to submit your residence permit application via the immigration authority's website: <https://enterhungary.gov.hu/>
(Please note: the official name of the immigration authority in English is Directorate-General for Aliens Policing)
- 2) After registering, you need to select from the following options:
new application / application for residence permit / study or student mobility
- 3) Please submit the required documents. The list of these can be found on the EnterHungary system.
- 4) After you have submitted your application, we will communicate with you via the above system. Don't forget to regularly check your EnterHungary profile. If further documents are required, a notification will be sent to you on the system.
- 5) When you have received a notification that your application has been registered, you need to visit one of our client service offices (Győr,

Szombathely, Zalaegerszeg) as soon as possible in order to have your biometrics (facial photo and fingerprints) taken.

Addresses of our client service offices:

- 9026 Győr, Szövetség u. 17.
- 9700 Szombathely, Kisfaludy u. 1.
- 8900 Zalaegerszeg, Mártírok útja 42-44.

6) When a positive decision about your residence permit application has been made, your residence permit will be delivered by post to the University's international office. You will be notified by email when you can pick it up. The decision process can take 3-4 weeks after your application has been registered.

Have a nice study and pleasant stay in Hungary 😊
