

ABOUT THE UPCOMING INTERNSHIP AND SERVICE OPPORTUNITIES AT THE UNIVERSITY OF GYŐR

Service Centre and Dormitory

SERVICES FOR INTERNATIONAL STUDENTS

Our goal is to help students make the transition to the world of work as smoothly and easily as possible, and to increase their chances of finding a job. We aim to make the learning process as friendly as possible for students, and to raise their awareness of career planning, the demand side of the labour market and employers' expectations.

- CV and cover letter writing
- Career guidance and counselling
- Interview preparation
- Attendance at training courses

MANDATORY INTERNSHIP

The aim of the internship is to combine theoretical and practical knowledge at the workplace and in the job function corresponding to the qualification, to develop the employee's competences in work processes required for the practice of the profession, to develop knowledge and practical skills in material and tool technology, as well as personal relationships and cooperation in work processes, and to develop evaluative and self-assessment behaviour and innovation skills in task solutions.

More information in the following link: <https://karrier.sze.hu/international-internship>

WHERE CAN I DO MY MANDATORY INTERNSHIP?

- University of Győr - in laboratories, research, programmes
- Based on your own company contacts, in a job related to your major
- In your own country
- In another country by the Erasmus programme

CONTACT BETWEEN COMPANIES AND INTERNATIONAL STUDENTS

We offer a range of opportunities for our students and partners to connect with each other. In addition to searching for prospective employees through our own platforms and forums, our partners can also contact you directly at University of Győr online, offline and in person. The staff of the Career Office, which is part of the Service Centre and Dormitory, and the Student Union have a joint mission to bring students closer to companies and prepare them for the ever-changing market, thus contributing to their success.

- Topic proposal, possibility to participate in the judging and jury at the Scientific and Artistic Students' Association Conferences
- Online and offline visibility and accessibility
- Involvement in student, research and development projects
- Engaging in classes
- Attending events in an informal way
- Thesis topic recommendation for our students
- Széchenyi's career fair

THANK YOU FOR YOUR ATTENTION!
