

Information

for students without visa

1. After arriving to Hungary (in a couple of days) you need to submit your residence permit application on the electronical administration system of the National Directorate-General for Aliens Policing (in shortly in Hungarian: OIF). The name of this website is in short: EnterHungary

(<https://enterhungary.gov.hu/>)

2. After registration you need to select the following options:

nem application/application for residence permit/study or student mobility

3. Submit the required documents. The list of those you can find at the EnterHungary system.

4. After submitting the application we will communicate with you via the system. Please do enter to your EnterHungary profile. If there is more needed document, the notification will be sent there.

5. When you got the message about registered your application, as soon as possible you need to show up at one of our client service offices (Győr, Szombathely, Zalaegerszeg) to take the biometrics (facial photo and fingerprints).

Addresses of our client services:

- 9026 Győr, Szövetség u. 17.
- 9700 Szombathely, Kisfaludy u. 1.
- 8900 Zalaegerszeg, Mártírok útja 42-44.

6. In case of positiv judging of your residence permit issue the card will be delivered you by post to the responsible department of the University. Judging process can be take for 3-4 weeks after registered your application.

Have a nice study and pleasant stay in Hungary 😊
