

Basic Usage of the Neptun system

What is the Neptun?

- ▶ Learning System
- ▶ Usages for students:
 - ▶ **Registering subjects**
 - ▶ **Registering exams**
 - ▶ Managing timetables
 - ▶ Managing grades
 - ▶ Communication channel

ONLY for exchange students:

Course list – a study plan

SZÉCHENYI ISTVÁN UNIVERSITY
GYŐR

No. 1.

COURSE LIST of the exchange student 2018-2019-1

Student's name/date of birth:		Doe, John			
Student's NEPTUN code		XXX111			
Home university:		XXX University			
Erasmus period (from-to):		September 2018- January 2019			
Course's code	Course's name	Lecturer's name	Lecturer's signature (certificates that the student joined the course)	Credit	Hours/ semester

Study book has to be given to International Office not later than September 30, 2018

Course registration

The screenshot displays the NEPTUN web application interface. At the top, the NEPTUN logo is visible on the left, and a decorative graphic with icons is on the right. Below the logo, a navigation bar contains tabs: 'My data', 'Studies', 'Subjects', 'Exams', 'Finance', 'Information', and 'Administration'. The 'Subjects' tab is selected and highlighted with a red circle. A dropdown menu is open under 'Subjects', listing options: 'Registered subjects', 'Take courses', 'Register for subject', 'Tasks', 'Offered grades', and 'Approve grades'. A red arrow points from the 'Registered subjects' option to a red text box. The text box contains the instruction: 'Choose ,Registered subjects' menupoint under the menu ,Subjects''. The main content area shows a form for subject registration with fields for 'Subject type', 'Subject name', 'Subject code', 'Course lecturer', and 'Course code'. There are also buttons for 'List subjects', 'Add to favourites', and 'Class schedule planner'. On the left side, there are sections for 'Neptun news', 'Student survey', 'Neptun mobile', 'Text messages', 'Messages', and 'Favourite functions'.

Actions: Save Cancel

To register for the selected courses and the subject click on the Save button!

Most subjects require registering one theoretical and one practical course. If there are only one type of course, then you only need to register one.

Subjects – Deregistering and modifying subjects

The screenshot displays the NEPTUN web application interface. The top navigation bar includes the NEPTUN logo and a banner image of a group of people. Below the banner, there are tabs for 'Personal data', 'Studies', 'Subjects', 'Exams', 'Finances', 'Information', and 'Administration'. The 'Subjects' tab is selected, leading to the 'Registered subjects' section. This section features a filter for 'Semesters: 2011/12/1' and a 'Show list' button. Below the filter, there are links for 'Add to favourites' and 'Declaration about subjects'. The main content area shows a 'List of registered subjects' table with columns for 'Subject code', 'Subject name', 'Credit', 'No. of registrations', and 'Waiting list'. The first row of the table is highlighted, and a red callout box points to the 'Options' button in the 'Waiting list' column. A large red banner at the bottom of the page contains the text: 'Click the „Options” button in the row of the selected subject'.

Accepting offered grades

The screenshot shows the NEPTUN web application interface. The top navigation bar includes the NEPTUN logo and the text "Education Admin. Neptun Meet Street". Below this, a horizontal menu contains "My data", "Studies", "Subjects", "Exams", "Finances", "Information", and "Administration". The "Subjects" menu is open, showing a list of options: "Registered subjects", "Taken courses", "Register for subject", "Tasks", "Offered grades", and "Approve grades". The "Offered grades" option is highlighted with a red circle. A yellow warning box is visible, stating: "Accept offered grades only if you do not have a valid exam. You cannot change your decision after clicking on the Save button!". Below the menu, the "Offered grades" section displays a table with columns: "Subject code", "Subject name", "Term", "Grade", "Lecturer", "Date", and "Approve grade". The table currently shows "No result" and "Number of results: 0-0/0 (16 ms)".

Registering exams

The screenshot shows a web application interface with a success message overlay. The message states: "A vizsgajelentkezés Hámory Edit Sarolta (FKMI BL) hallgatóra sikeresen megtörtént!" (The exam registration for Hámory Edit Sarolta (FKMI BL) student was successful!). A green checkmark icon is next to the message. A "Back" button is located at the bottom right of the message box. The background shows a sidebar with navigation links like "Messages", "Kedvenc funkciók", and "Exams". The "Exams" section contains a table with columns: Subject, Subject code, Course Type, Exam starts at, Member/Limit (Course limit), Reg./Limit (Exam limit), and Rooms. The table lists three exams: Descriptive Geometry 2, Descriptive Geometry 2, and Public Building Design 1. A "Number of results: 3/3 (141 ms)" is shown at the bottom of the table. The footer includes "Help | [InkHelp] | Sitemap" and a logo for "DLA Informatics".

Success

Deregistering the exam

The screenshot shows the NEPTUN web portal interface. The top navigation bar includes links for Personal data, Studies, Subjects, Exams, Finances, Information, and Administration. The main content area is titled 'Exam registration' and features a filter section for Semesters (2010/11/1) and List of registered subjects (Every subject). Below this is a table of exams with columns for Subject, Subject code, Course Type, Exam starts at, Member/Limit, Reg./Limit, and Rooms. A red box highlights the 'Exam details' pop-up, which contains a 'Deregister' button. The footer includes a help link, a sitemap, and a logo for DLA Informatika.
