How to apply for health insurance card (TAJ kártya)

The subject of health insurance is mentioned during your recent orientation sessions.

You will remember that all SH and SCYP students are insured by the Hungarian State Health Insurance, but health care services are available only if you are in possession of the HEALTH INSURANCE CARD (in Hungarian TAJ-KÁRTYA).

It is very important to apply for one as soon as possible after your arrival.

New insurance card	Revalidation of the insurance card
Please note that you will need to bring the FOLLOWING DOCUMENTATION with you when you come to the appointment to apply for a new card .	If your TAJ (Health Insurance) Card has expired or is about to expire soon, then you will need to revalidate it. For revalidation you will need to submit the following documents:
<ul style="list-style-type: none"> • Residence permit card • Accommodation report form, registered by the Immigration Authority • Student status certificate • Certificate of the scholarship (Letter of Award) • Copy of the Passport • Application form for insurance number (available in CIP office) 	<ul style="list-style-type: none"> • Residence permit card • Accommodation report form, registered by the Immigration Authority • Student status certificate • Certificate of the scholarship (Letter of Award) • Copy of the Passport • Application form for insurance number (available in CIP office) • Copy of your expired/old card
If you have lost your card you have to pay 3.000 HUF	

Please be aware that you MUST have insurance during your studies and it is your own interest to submit your request for insurance as soon as possible after your arrival.

At the beginning of the academic year, September/October you have the opportunity of registering at the University for your insurance card without needing to go to the [Health Insurance Authorities' Offices](#).

After this period, if you have to submit a supplementary document for your health insurance application or you wish to submit a new request or revalidate your insurance, **please bring the necessary documents to our office (Centre of International Programmes Ig 103)** and we will forward them to the Hungarian National Insurance Fund.

If you have lost your card you must submit your request [personally](#) and have to pay 3.000 HUF

On receiving notification, you can collect your ready insurance card (TAJ kártya).
