How to apply for a health insurance card (TAJ kártya)

The subject of health insurance is mentioned during your recent orientation sessions.

You will remember that all SH and SCYP students are insured by the Hungarian State Health Insurance, but health care services are available only if you are in possession of the HEALTH INSURANCE CARD (in Hungarian TAJ-KÁRTYA).

It is very important to apply for one as soon as possible after your arrival.

During the academic year (September-June) you have the opportunity of registering at the University for your insurance card without needing to go to the [Health Insurance Authorities' Offices](#).

If you wish to apply for a new health insurance or wish to revalidate your insurance, **please bring the COPIES of the required documents to our office (Centre of International Programmes and Alumni Ig. 103)** and we will forward them to the Hungarian National Insurance Fund.

Outside of this period, or if you wish to submit a new request or revalidate your insurance on your own, please visit our office (**Centre of International Programmes and Alumni Ig. 103**) we will give you the missing documents and after that, you should take the necessary documents to the [Health Insurance Authorities' Offices](#).

If you have lost your card you must submit your request personally and have to pay 3.000 HUF

On receiving notification, you can collect your ready insurance card (TAJ kártya) at our office (Ig103). All the Hungarian state-financed health care services are available for students with valid insurance (TAJ) cards, however, it might happen that you have to pay for some services like the other Hungarian citizens.
